County High Schools Plan Trade of Shop Facilities

A plan under which each high school in the county would make its vocational training and shop facilities available to students from other high schools is being discussed by county educators.

The co-ordinated program of vocational training — under which each high school would retain full control over its own shops, while permitting their use by students from other schools — was discussed at a recent meeting of high school administrators with Pansy Jewett Abbott, county superintendent of schools.

Such a plan probably could be put into effect only with the assistance of county labor groups and employers, according to Will T. Van Voris, superintendent of the San Mateo Union High School District, who is temporary chairman of the committee studying the program.

The program would have to be approved by each of the high school boards of trustees in the county.

It "will avoid the duplication of expensive equipment," while making a greatly increased variety of training and equipment open to students from every high school, Van Voris pointed out.

The program "will partially relieve the taxpayers of the burdens now inherent in separate operation of this important phase of public education," Van Voris declared.

At the recent meeting of high school principals and superintendents, a committee was appointed to make a complete survey of the trade and industrial courses now offered in the county's secondary schools. On the committee are A. C. Argo, superintendent of Sequoia Union High School, Joseph H. Acheson, principal of San Mateo High School, G. Carl Weller, superintendent of the South San Francisco unified school district, and Charles S. Morris, president of San Mateo Junior College.

Miss Elsie Northrup, acting principal of Burlingame High School, was appointed to make a study of the commercial and home-making work now offered girls in the county's high schools.

These reports will be placed before a meeting of representatives of industry, labor and school shop heads, to be called next month.

"It is believed that the present excellent vocational programs, separately conducted in each high school, may be placed in a co-ordinated plan without seriously changing the present management by the separate boards of trustees," Van Voris said today.

The program is being undertaken, he asserted, "that the high school students of San Mateo county may secure vocational education equal to, or superior to, the best in the state of California."

Lt. Bernard Burke Awarded DFC

Award of the Distinguished Flying Cross and the Air Medal to Lt. Bernard J. Burke of Redwood City, now a C-46 pilot flying the "hump" from India to China was announced this week. Burke has been overseas since June, 1944, and has participated in 80 missions.

After graduating from Sequoia

LIEUTENANT BURKE

High School in January, 1943, Lieutenant Burke entered the air corps and took his flight training at Santa Ana and Calaero. He received his wings at Douglas Army Air Field on Apr. 15, 1944. Before leaving for overseas, he took advanced training at Reno.

His father, James Burke, lives in Menlo Park. Mr. and Mrs. W. H. Jory of 338 Grand St. are the young flier's uncle and aunt. His brother, James Jr., is a freshman at Sequoia, and a cousin, Margaret Jory, is a senior there.

CITATION—No. 37552
IN THE SUPERIOR COURT OF the State of California, in and for the County of San Mateo.
In the Matter of the Adoption of FRANCINE EVALINA STEVENS, a minor.
The People of State of California:
To Herbert Stevens, greeting:
By order of this court, you are hereby cited and required to appear before this Court, at the Court Room, Department No. 2 thereof, at Redwood City in the County of San Mateo, on Monday, the 7th day of May, 1945, at 10 o'clock in the forenoon of that day, then and there to show cause, if any you have, why the petition in the above entitled matter should not be granted.
Witness, the Hon. A. R. Cotton, Judge of our Superior Court, in and for the County of San Mateo, with the Seal of said Court, affixed, this 24th day of January, 1945.
Attest:
W. H. Augustus, Clerk; by Alma Paganini, Deputy Clerk.

Former Tribune Mailer Back From Honolulu

Jack Warren, 17, former mailer in the Tribune circulation department, arrived in Redwood City Saturday afternoon after a clipper flight from Honolulu to Mills Field. He left Saturday evening by train for San Diego.

Warren left Redwood City in June to join his father, Chief Machinist's Mate Kermit J. Warren, USN. The father is returning to the states by boat.

Warren said he plans to join the air corps next month, just before his 18th birthday.

Material failure is the cause of only 12.4 per cent of the fatal airplane accidents in the U. S. Army Air Forces.

Allow Increased Medical Deduction In State Returns

A new ruling concerning the method and manner of taking medical and dental expenses when separate returns are filed, greatly benefits residents of community property states, collector of internal revenue, Harold A. Berliner, said today.

The ruling recently handed down by the commissioner in Washington, states that when separate returns are filed and one dependent or more is shown on the return, the allowance for medical and dental expense will be up to $2500 on each return.

A married couple with two dependents may, by filing separate returns, be allowed a maximum of $5000, or $2500 medical and dental expenses on each return.

Single persons with no dependents will be allowed a maximum deduction of $1250 for medical and dental expense. A single person with one or more dependents would be allowed a maximum deduction of $2500.

Deductions for medical and dental expense will only be allowed when the expense exceeds 5 per cent of the adjusted gross income, Berliner said.

Fat Needed in Textiles

Textiles are just one of the hundreds of civilian and military products that require used cooking fat in their manufacture. Save every drop of used cooking fat and turn it over to the meat dealer. He'll pay you cash and extra ration points for it.

Flynn Lists Tax Exemptions For Veterans, Service Men

County Assessor Martin J. Flynn this week outlined to war veterans and members of the armed forces instructions on how to claim exemptions on property taxes.

Flynn advised that property returns be made to his office at the courthouse in Redwood City and affidavits be filed at once, if the service people desire to avail themselves of the benefits to be derived under Section 1¼, Article XIII, of the state constitution.

"This should be given your prompt attention each year immediately after the first Monday in March," Flynn said. "If affidavits are not filed before assessment rolls are closed, exemption cannot be allowed by assessor.

"It is not only necessary that you file the affidavit within the time specified but you must also list and properly describe all property owned by you, including land, improvements, tangible and intangible personal property, regardless of location. No exemption will be allowed unless this is complied with.

If you own property of the value of $5,000 or over, you are not entitled to exemption."

A certificate of service, enlistment record or discharge papers must be shown to Flynn or to a deputy assessor, unless the person previously has claimed exemption in this county.

If a person now serving in the armed forces cannot go to the assessor's office, he may designate a relative or agent to make the claim for him. The person executing the claim on behalf of an applicant must show an affidavit of relationship, Flynn said, and show that the applicant is serving in the armed forces or in civilian work connected with the armed forces.

Toastmasters Hold Varied Program

Four speakers discussed a variety of topics during Monday night's Toastmaster's meeting at the First Methodist Church with Ray Moore, chairman.

The Rev. A. Engle discussed "We "We Need a New Calendar" and Al Armitage titled his talk about the importance of salvaging waste paper, "Paper Plasma." A. C. Argo reviewed postwar planning for youth problems and Tom Cutting spoke about "Keeping Fit."

Cpl. Frank Hunt Wins Army Medal

Cpl. Frank J. Hunt, whose parents reside at 105 Elm St., Redwood City, has received the Good Conduct Medal at Marana Army Air Base in Arizona where he has been an airplane instrument technician since February, 1943.

Graduated from Sequoia High School in 1942, he was employed at Western Pipe & Steel Co. in South San Francisco before entering the service in March, 1943.

He attended the army's American School of Aircraft Instruments and was stationed at San Bernardino before assignment to Marana, one of the largest basic pilot training schools of the AAF Training Command.

His brother, Cpl. Charles Park, is in the South Pacific.

L. G. Owen Named To County Post

L. G. Owen of Redwood City Tuesday was reappointed by the San Mateo County Board of Supervisors to the County Civil Service Commission. Owen has been chairman of the commission.

An ordinance which would require licenses for all dogs in unincorporated areas was taken under submission until the next meeting.

Supervisor Chmn. Fred E. Beer reported that City Atty. Ernest A. Wilson of San Mateo is preparing legislation which would enable the Three Cities to form a district for the purpose of building a joint war memorial.

The supervisors approved an increase from $35 a month to $50 for the support of juvenile court wards. Request for the raise was made by Juvenile Court Judge A. R. Cotton upon recommendation of Probation Officer John S. Cowgill.

Sailor Arrested On Mischief Charge

A complaint charging him with kicking in a glass door in front of the Redwood Bowl on Broadway, was placed against William F. Beaver, 20, Tanforan sailor, who was booked for malicious mischief by Redwood City police shortly after midnight Monday.

Beaver was released to the navy after the operator of the bowl refused to prosecute.

Van Gastelen Hearing Continued to Feb. 28

Hearing on the extradition of William Van Gastelen, 44-year-old man without a country, from San Mateo County to New York, which was to have been held in Judge Maxwell McNutt's superior court Tuesday, has been continued to Feb. 28.

The hearing was postponed because Sanford Ulrich, New York state parole officer, was unable to be present. When the case came before Judge McNutt on Jan. 18, Jerome Macdonald, attorney for Van Gastelen, charged there was "a kidnaping plot in the making."

The U. S. is believed to have reached a point close to maximum production of crude oil from known reserves.

Lots 26 and 27 in Block 2, as said lots are designated on the map entitled "Subdivision of Reserve Section 10 Wooster Whitton & Montgomery's Subdivision Part of Redwood Farm San Mateo County California," filed for record August 20, 1910, in Book 7 of Maps at page 26, Records of San Mateo County.
AND YOU ARE HEREBY NOTIFIED that, unless you so answer and appear, the plaintiffs will apply to the Court for relief demanded in the complaint, to-wit:
A Judgment and decree of this Court, establishing and quieting title in and to said real property hereinbefore described and determining all estates, rights, titles, interests, liens and claims of every kind and nature whatsoever, in and to said real property and every part thereof, and declaring plaintiffs to be the owners in fee simple as joint tenants of said real property and of every part thereof, and that it be decreed that no other persons have any right, title, interest or lien in and to said real property, or any part thereof:
That plaintiffs recover its costs herein, and that plaintiffs have such other and further relief as may be meet and proper in the premises.
WITNESS my hand and seal of said Court, this 9th day of February, A. D. 1945.
W. H. Augustus, Clerk; by Alma Paganini, Deputy Clerk.

Desert Rain Barrel

The barrel cactus of the southwestern deserts of the United States is known as the "rain barrel of the desert," since it can be used for both food and drink in emergency.

Dr. Gans, Ex-Wife Reach Agreement

An out-of-court settlement between Dr. Charles C. Gans, director of the County Department of Public Health and Welfare, and his divorced wife, Mrs. Chelsea T. Gans, 220 San Mateo Dr., San Mateo, has been made, Dr. Gans reported today.
Mrs. Gans, who charged that Dr. Gans was almost $5000 arrears in alimony payments, today asked superior court to dismiss her complaint with prejudice. She was married to Dr. Gans for 23 years.
A few months after the two were divorced in 1937, Dr. Gans married Miss Harriet R. Parkman, daughter of State Sen. and Mrs. Harry L. Parkman.

Arthur Johnson Admits False Citizenship Claims

Arthur H. Johnson of Redwood City, who for two years had been a special investigator for Dist. Atty. Gilbert D. Ferrell until Dec. 15, Tuesday entered a surprise plea in Federal court in San Francisco of guilty to making false claims of citizenship. He was indicted Jan. 10.
Johnson previously had pleaded not guilty and the case had been set for jury trial Mar. 13. Federal Judge Louis E. Goodman yesterday ordered a probation report by Mar. 3 and committed Johnson to jail. Mar. 6 nas been set as the date for judgment.
Johnson's attorney, Fred A. Watkins, Tuesday told Judge Goodman that Johnson suffers from a "peculiar kind of amnesia" during which he speaks French and Latin. Judge Goodman suggested that he be psychoanalyzed.
Johnson, who lived at 1 Duane St., was born in Liverpool, England, according to Asst. U. S. Atty. James T. Davis, and came to this country in 1918 as a British seaman.

Your Government Urges You To
SAVE GAS AND ALL VITAL FUELS
Keep Room Temperatures At 68 Degrees

UNCLE SAM has made an urgent appeal for fuel saving throughout the nation. Here in California, we should conserve our gas supply by being thrifty in our use of it in home and industry. Gas is a vital and essential fuel used in the production of war materials that fill the ships that sail out the Golden Gate to our fighting men across the Pacific.
You can contribute to the fuel-saving effort by guarding against wasting heat in your home—by keeping room temperatures at no more than 68 degrees.
This company has pledged full support to a request of the Office of War Utilities, War Production Board in its national fuel-saving program. We urge our customers to help through voluntary cooperation.
PACIFIC GAS AND ELECTRIC COMPANY

Other Ways You can Help . . .
Do not use your gas range for heating the kitchen. Close bedroom doors at night. Close fireplace damper when gas heater is on. Repair leaky hot-water faucets. Use as little hot water as possible. Dress warmer in your home and use less heat.
